OCONEE MUST PUSH EXPORT

Corporation—People Must Not Depend on Outside Help.

I am in receipt of the following telegram from Hon. Richard I. Manning, who is chairman of the American Products Export and Import Corporation, which corporation has for its great object the exportation of cotton to Europe:

"Impress upon people necessity for large stock subscriptions; outside help impossible; we must help ourselves or go down together. Formation of corporation seems only hope, and this is the unanimous judgment of the best business men and farmers throughout the State. See editorial State 21st."

"Richard I. Manning."

What are WE going to do about it? No one else is going to fight our battles for us. Give stock to the corporation, and GIVE QUICKLY or it will be too late. If we do not help ourselves, then upon our own heads rests the blame, for then we do not deserve anything.

The other counties are doing nobly. Will you let Oconee lag behind? I hope not. See your district committee at once about taking stock liberally in cash, Liberty Bonds or cotton. Stop moaning and do something! Committees are as follows:

Seneca—J. J. Ballenger, chairman; J. T. Dyar, A. H. Ellison.

Walhalla—W. M. Brown, chairman; J. B. S. Dendy, G. R. Briggs.

Westminster—M. L. Jones, chairman; Dr. J. H. Johns, J. H. Barnett.

NOW IS THE TIME TO ACT! What you do is to count for anything. Geo. R. Briggs, County Agent.

News Items from Little River.

Little River, Oct. 21.—Special: The farmers of this section are enjoying a few weeks of fine weather, and they are sure busy harvesting their crops.

Miss Ada Holden's health seems to be improving, and she is spending a few days with her sister, Mrs. N. P. Whitten, of Salem. We hope she will soon be enjoying perfect health.

The Smelter school is progressing nicely now, after a few weeks of vacation for the season of rush work on the farms.

Miss Della Perry, accompanied by Miss Christine Jones, of Salem, were recently at Pickens and Abbeville.

Elisha P. Holden left last week for the Base Hospital at Greenville, where he will have special treatment for injuries received during the time he was in the military service overseas. Mr. Holden has been out of the service for some time, but has not been able to work since he was discharged.

Oscar Wigginton and C. D. Perry attended the second reunion of the "Old Hickory" Division at Asheville Sept. 28-29. They report a nice time and had the pleasure of meeting a number of their old friends and comrades.

Mrs. J. L. Talley is spending the week with relatives and friends in the Wolf Stake section.

R. Cantrell and others attended the association meeting at Boone's Creek recently, and report having enjoyed themselves immensely—especially at the noon hour.

Andy Perry and several others attended the singing convention at Coneross on the second Sunday.

C. S. Talley made a business trip to Walhalla recently. He is one of our best farmers and always drives fine stock.

Floyd Barnes, who has been sick for some time, is able to be out and among his friends again. We are glad to see him up again, and hope soon to know that he is enjoying his old-time good health.

Ralph McCall and family, of Davidson River, N. C., are spending a few weeks with the former's father-in-law, N. P. Bryson.

W. H. Talley and family, of Salem, were recent visitors in this section.

Rev. Pick Alexander filled his regular appointment last Sunday at Little River Baptist church, and quite a good congregation heard a splendid sermon.

Misses Ila and Olive Nicholson, who are attending the Six-Mile Academy, visited home-folks recently.

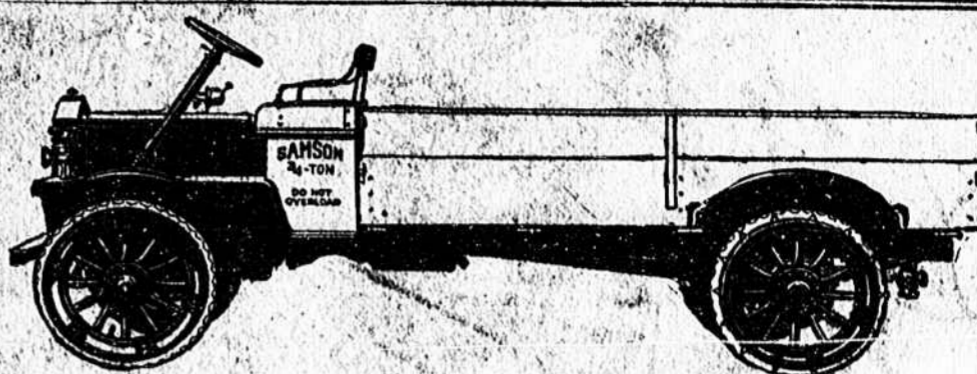

Former President Craighead Dead.

Spartanburg, Oct. 25.—News was received here to-day of the death of Dr. E. B. Craighead, formerly professor of Greek at Wofford College, and later president of Clemson College, at Missoula, Mont., where he had been making his home for several years.

Mr. Craighead left Clemson College to become president of Tulane University, New Orleans, and later went to the University of Montana as president. He was the author of a number of books and had been prominent in educational work for years. He was a native of Montana.

Evening Singing at South Union.

There will be an evening singing at South Union next Sunday evening, Oct. 31st, at 2 o'clock. All good singers and lovers of music are invited to attend. J. E. Farr.

The even distribution of weight in the Samson Truck assures tire economy and fuel economy at all times.

SAMSON

3/4 Ton Truck

We have just received our first shipments of

SAMSON TRUCKS,

Both in 1-4 and 3-4 ton capacity.

These Trucks are radically different from anything that has ever been offered in this country. They have 33 per cent more loading space than any other truck of the same capacity. When a Samson is loaded to capacity, 45 per cent of the load is on the front wheels. No other truck is so evenly balanced.

Also we have just received one car of Model M 12-25 Samson Tractors. These tractors are as easily handled as an automobile. If you are in any way interested in a Farm Tractor you should see this one. We are pulling a saw mill with a Samson Tractor on our farm one mile out on the Westminster-Walhalla road.

If you are interested in belt power you now have a chance to see what a REAL TRACTOR will do.

5,712,057 BALES COTTON GINNED

To Oct. 18—782,953 Bales in Excess of Ginnings Same Date Last Year.

Washington, Oct. 25.—The government cotton ginning report to-day showed a total of 5,712,057 bales ginned prior to Oct. 18, and indicated that the sporadic attempts through the cotton belt to keep gins closed until the price of cotton advanced to higher levels had had little effect. Ginnings this year aggregate 782,953 bales more than the quantity ginned to Oct. 18 last year, when the crop was 794,000 bales smaller than that forecast for this year.

On the government's forecast of a crop of 12,123,000 bales this year, the ginnings to Oct. 18 appeared to be about 47.1 per cent of the total. This is a higher percentage than was ginned last year to Oct. 18, which was 43.5 per cent, but lower than the average of 48.9 for the last eighteen years.

Cotton ginned prior to Oct. 18 amounted to 5,712,057 running bales, including 138,564 round bales, 14-

312 bales of American-Egyptian and 340 bales of Sea Island.

Ginnings last year to Oct. 18 were 4,929,104 running bales, including 55,555 round bales, 8,890 bales of American-Egyptian and 1,792 bales of Sea Island.

Ginnings this year to Oct. 18, by States, were:

Alabama	281,753
Arizona	19,678
Arkansas	347,339
California	13,914
Florida	9,614
Georgia	709,404
Louisiana	204,096

Arrest in McMahon Case.

Edgefield, S. C., Oct. 25.—A. A. Edmonds, County Supervisor-elect of this county, has been arrested, charged with being implicated in the alleged beating of Peter McMahon, of Yonkers, N. Y., who claims that he was attacked by several men near Trenton recently. McMahon claims that the alleged beating was administered because he endeavored to assist a young woman of Alken in a settlement which involved a division of her father's estate. Edmonds has been released on bond, and it is rumored that other arrests may be expected here in connection with the charge. The arrest resulted from the efforts of Governor Cooper to have the entire matter thoroughly investigated.
